

Message from Mrs Millsop:

During the course of this term, each year group is raising money for MAF and Bwaziba school. Children have worked with their teachers to devise their own fundraising activities and through our work with them, we are talking about how our actions can make a difference; how we can be courageous advocates. We have talked about being the voice for those who can not change their circumstances, whether this be people or the environment. Thank you for supporting them with their chosen events.

Children have been able to tell me that being a courageous advocate means that, 'You are treating others the way you would like to be treated.' Someone else told me that, 'We're helping raise awareness about issues like that in some countries there are poor roads so they need aeroplanes to help.'

News

SPORT: Children from Y1&2 took part in quadkids—competing in four different athletics sports. They were delighted to come first as a team. Well done! The week before Y4&5 representatives took part in an orienteering competition and were runners up. Thank you Mr Jones for organising these opportunities.

Thank you: Gardening club have planted the pots at the front of school which has made such a difference to our entrance. Thank you team!

SUMMER: Thank you for ensuring your child has a hat in school.

Values: SERVICE

Mr England came into school this week to lead our whole school collective worship. He shared the story from the Bible of the five loaves and two fishes offered by a boy in the crowd which Jesus shared amongst the crowd who had gathered to hear him speak. Mr England then encouraged the children to talk about and share with each other how they show service in their community and what they might do going forward.
