

## Message from Mrs Millsop:

This week the EYFS children and staff have been very busy indeed. Children enjoyed a Wet and Wild day in the outside spaces and were keen to share their water fun with the adults too!

Since Easter, Mrs Jeffery has been the EYFS Leader. Together with the staff team, she has implemented opportunities for children in Nursery and Reception to learn together through their play in the different spaces and classrooms in the EYFS corridor. This has been successful because children are broadening their social connections and older EYFS children are mastering their skills and knowledge by sharing their understanding with younger children.

On Thursday night our Nursery induction night was well attended and we look forward to welcoming new Reception parents next week at 6pm on Thursday 22nd June in the school Hall.

## Values: SERVICE

Year 6 have provided a wonderful Summer Fayre for the school community today and this has certainly been an act of service to others. The money they have raised will go towards our commitment to support the MAF organisation. Different year groups are holding events as part of our teaching and learning about what it means to be a 'courageous advocate' or speaking and acting for others to try and make a difference.
