

### Message from Mrs Millsop:

Reception children enjoyed a Forest Festival on Thursday, drawing together some of their forest learning this year and sharing it with their parents. Year 4 have visited the library at the Orbital today. Over the summer there is the annual summer reading challenge: <https://www.summerreadingchallenge.org.uk>

In addition, the Library has free book, craft and trail events over the summer, including the swinpups trail: <https://www.bigdogarttrail.co.uk/art-trail/> featuring Mr Frank, our very own contribution!

Year 6 children are rehearsing hard for their final production and busy making masks from mod roc based on inspiration from Mayan masks as part of their History learning.

### Values: SERVICE

Becki Martin from The Well Church led our whole school collective worship on Service and how we can serve the elderly in our community. She told the story of Anna and Simeon and the children reflected on how Anna and Simeon as Christians had served God and then how we in turn could serve the elderly. Children have continued to carry out their year group Service projects and we thank parents for supporting them with their sponsorship.
