

Year 4 Homework—Autumn 1

Mountains and Living things and their habitats

1. Please aim to do at least 2 of the following activities daily:

- Reading - Spelling - TTRS.

2. By October half term all children are expected to have completed the:

spelling homework, reading comprehension task, and Growth Mindset activity.

Geography: We will be learning about the 3 Peaks Challenge. Make a list of things you might take with you. Follow this link to compare the official kit list with yours. Did you think of everything? <u>Kit List for National Three Peaks Challenge</u>

Maths: Go on the <u>Hit the Button</u> website and practise your times tables. Let us know which ones you have been practising.

Hit the Button - Quick fire maths practise for 6-11 year olds

Our **Value** this term is **Thankfulness**. Write an acrostic poem using the word thankfulness.

Science: Create and then conduct a mini beast survey in your garden or park. List how many creatures you can find in 30 minutes. How many ways can you group them? By size, colour, shape, vertebrate vs invertebrate?

Art: Draw a picture of your favourite animal. Label its features and describe how they help the animal survive in their habitat. For example: thick fur on a wolf protects it form the cold and makes it camouflaged.

Spelling:

Using the homophone list that we are sending home with the Year 3/4 spellings, create a game which will help you remember how to use these homophones in the correct context.

DT: Create your own erupting volcano! Use the link to read the instructions and the ingredients list: https://www.funkidslive.com/learn/kareenas-

Collect 10 different leaves from your local area.

Create a poster or PowerPoint identifying the leaves

ICT: Using this website, complete some of the quizzes to test your knowledge of computing. Please start with 'Internet safety' and 'The Internet'.

KS2 Internet Safety | How to Protect Yourself Online

Reading Comprehension.

Ancient Egyptians

Pick 1,2 or 3 stars depending on your confidence.

Growth Mindset:

Exercise Your Brain task.
