

# Year 4 Homework Planner

## Spring Term 3, 2024

### Rivers

Please do the following activities daily:

Reading      Spelling      Times tables

Then choose from a selection of activities below.

By February half term, all children are expected to have completed the:

Grammar homework, reading comprehension task and Growth Mindset activity

#### Maths:

Practise your times tables on TTRS regularly. Aim to go on 5 times a week, in the same way you practise your reading. See if you can make your way up the effort league table.

#### Geography:

Choose a famous river from another country e.g. the Zambezi, the Mississippi, the Ganges, and research some interesting facts about them. How long are they? What animals live by/ in/ on them? What countries do they flow through? Create a PowerPoint showing everything you have learned.

#### PE:

Create a short circuit plan using some of the stretches and exercises that we covered last term. Make sure to include exercise that work all parts of your body: upper, lower and core.

#### E-Safety:

Create a poster showing children how to stay safe online.

#### Art:

Draw, paint or create a model of part of a river. You can pick any part— from the source to the mouth.

#### Science:

Search around your house for any electrical dangers. Make a list of recommendations for changes to make e.g. Extension leads are over loaded— limit the number of sockets plugged in.

#### RE / DT:

Research a traditional food/ meal that a Hindu family might eat. Have a go at preparing and eating it with your family.

#### Reading Comprehension:

Complete one of the electricity reading comprehension activities. We have uploaded 3 different versions so that you can choose the right level of challenge for yourself.

#### Grammar:

Complete the changing tenses worksheet.

#### French:

Scan the QR codes on the French Spring 1 Home Games sheet to play some fun French games.

#### Growth Mindset:

Complete the Creative Challenge- Origami Magic.
