

Year 4 Homework

Summer 1, 2024

Please remember to do the following activities daily:
Reading, Spelling, Times tables

Then choose from a selection of activities below. By the May half term, all children are expected to have completed the:

Spelling homework, reading comprehension task and Growth Mindset activity

Maths

Visit the Top marks website and play some of the games to practise Fractions and Decimals.

[Fractions and Decimals Maths Games \(topmarks.co.uk\)](https://www.topmarks.co.uk/Fractions-and-Decimals-Maths-Games)

Reading

Complete the Reading Comprehension: 'Marine and Coastal Wildlife Code'.

Choose an area of the British coastline to **re-search** and then create a report. You can present this using a video, written report, or Power-point presentation. Use as much topic related vocabulary as you can.

Our Value this term is **Trust**. Draw a picture to show how you have had to trust someone or they have trusted you in a difficult situation.

Write a poem about the beach and the sea.

Paint a picture of a coastal scene—it may include beaches, cliffs, a lighthouse, boats, people enjoying the sea or any animals that live in or near the sea.

Complete the **Metacognition Activity** —Try Something New.

Complete the **Spelling Investigation** sheet, using the -sion suffix to change verbs into nouns.

Computing

Take some photos and see how you can use editing tools to alter them by adding colour, shading or other special effects.

French

Use the QR codes to complete some online French activities.

Create a **fact file** about a marine animal— describe them, find out which part of the sea they live in, what they eat, how long they live and how they reproduce.
